

Dear partners,

We are happy to inform you that we have extended our EPS offer at The Hague University of Applied Sciences. In our Winter semester (29th August 2016- 3rd February 2017) we offer the following EPS programs. Please note that 2 EPS programs take place on our Delft Campus and 3 EPS programs on our Campus in The Hague.

- **EPS @ IT&Design (The Hague Campus)**

We have some promising projects from companies in the area of Cyber Security, (serious) gaming, VitalITy and ICT and ART. See our project brochure to get an idea of the type of projects. The final grouping will be done in the first week of the semester. **(Both semesters)**

- **EPS Technology, Innovation & Society (The Hague Campus)**
 - **Hydraulic Engineering**
 - **'Sustainable' Packaging Design & Innovation**

- **EPS Technology, Innovation & Society (Delft Campus)**
 - **The Formula Cruisers (both semesters)**
 - **Smart Manufacturing & Robotics (both semesters)**

Next to our EPS programs the two Faculties have semester programs on offer for your students.

We would be more than happy to receive the nomination of your students. The application process can be started through the following link:

<http://www.thehagueuniversity.com/exchange-programmes/exchange-programmes/registration>

We are looking forward to welcoming your students.

Kind regards,

Vera van der Valk
